It's a bit disconcerting when an anniversary creeps up on you. As 2011 came up on the calendar, we realized that ILI has been operating in Europe, most specifically in Czechoslovakia and the Czech Republic, for 20 years.

This newsletter, initiated to report on ILI activities and connect our wide circle of customers, partners, company sponsors, host families, friends, supporters, faculty lecturers, internship sponsors, former participants, newspaper and magazine editors who publish stories about our programs, and family members who've encouraged and helped us, was not meant to be "for the ages." I thought it would be a convenient way to spread information and keep people in touch with each other.

But it's turned out to be much more than that.

Over the past 20 years, ILI officials have made more than 70 visits to the Czech Republic and other European countries, to conduct business, find new customers and catch up with developments. Now the shoe is on the other foot, and we're planning a trip to Florida after our August 2010 relocation to Prague.

ILI Managing Director Sara Tusek will be in Florida from February 22-March 3, 2011, in the Lake Mary area and in Jacksonville, to meet with old friends while taking care of business. Please email stusek@ili.cc to arrange a meeting!

LTF is a roster of people

More than 400 program participants, hundreds of volunteer business internship sponsors, host families and lecturers make quite a roster of people we've written about in *LTF*!

LTF is a way to explain who we are

What, exactly, is ILI all about? We are committed to helping people develop and use key leadership skills in their careers and in their daily lives. *LTF* showcases all the ways we've done that over the last 20 years.
